

rejections to the claims or to the disclosure have been noted.

Claims 1-10 have been replaced by new Claims 11-22 which have been drafted to overcome the rejections based on 35 U.S.C. §112. Terminology used in the art for warp and wale has been incorporated into the claims to further define the claimed invention. Accordingly, no further comments will be directed to these portions of the Office Action.

In view of the foregoing amendments and remarks, it is believed that this application is now in condition for allowance. Accordingly, review and allowance are requested.

Respectfully submitted,

  
Terry M. Gernstein
